

ATTENDANCE POLICY

1. Policy

Cambrian at Hanson, hereinafter 'Hanson', students are responsible for their own education. In order to receive the intended benefits of their courses, students should attend all classes, labs, and tutorials. Students are also expected to adhere to the Attendance Policy for field and co-op placements that are part of the course curriculum and as described in the course outline. Students who are absent from any classes, labs, or tutorials are responsible for learning any material missed within the published deadlines. Hanson is not responsible for ensuring that any missed material is provided to students.

Full attendance is strongly encouraged in all courses. The impact of non-attendance on grades will be outlined at the beginning of the course and in the student manual. Missed assignments, tests, or other evaluative tools could result in the forfeiture of grades as stipulated in the course outline. It is at the discretion of the course teacher or instructor to make alternate arrangements for the make-up of missed work, therefore the onus is on the student to make alternate arrangements in advance with the course teacher or instructor.

It should be noted that full-time student status is required of international students studying in Canada. **Poor attendance may be considered a violation of the conditions of a student's study permit and may be at risk of being reported to Citizenship and Immigration Canada (CIC) for violation of their study permit.**
